

update_position

```
graph LR; A[update_position] --> B[calculate_accelerometer_odometry]
```

A flowchart with two rectangular boxes. The first box on the left is gray and contains the text 'update_position'. A dark blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'calculate_accelerometer_odometry'.
